Dedicated To Service and Protection

February 7, 2001

Dear Mayor Daryl Revoldt,

On behalf of the members of the North Canton Police Department, I proudly present the 2000 Annual Report to the Mayor. The Department has been able to maintain its reputation for quick, professional, and courteous response for police service.

The order of business in 2000 was to evaluate the needs of the Department. The reviewing of policies and procedures is still ongoing. The purchase of needed equipment was started. Hand-held Alco Sensors were purchased to help officers in the field detect the amount of alcohol a person has consumed. Tactical ballistic vests were placed in each cruiser. Two ballistic shields were purchased. New gas masks and helmets were bought for each officer. The air exchange system in the range was improved. New base stations for the radio system were added. The back-up radio station at EMS was upgraded with the parts replaced at the main radio. The detective bureau now has the capability to download and print out driver license pictures from the Bureau of Motor Vehicles. They also can now view frame by frame and print out color photographs from surveillance videos. Replacing six-year-old computers was also started in 2000. Some old office equipment was also replaced.

Vigilant officers increasing the number of citations by approximately 93 % and warnings by 30 % met a response to citizen complaints of traffic violations. Citizens also complained about loud stereo music from automobiles. We increased these types of citations to 45 in 2000. A more detailed and accountable process for the investigation of citizen complaints of employees was also instituted in 2000. Although we have very few complaints, I thought that the citizens should know that each formal complaint would be thoroughly investigated. Two officers were trained as School Resource Officers (SROs). They work closely with the schools in attempting to solve problems and on safety issues. They also interact with the students and are available as speakers in the classrooms.

North Canton continues to be a safe community. We appreciate the Administration and City Council for providing us with the support to continue to keep it a great place to work and live.

I have included the following pages to provide you with some statistics and information on the year 2000.

Respectfully,

Michael J. Grimes
Chief of Police

ARREST CHARGES

Total arrest charges are those charges that are not traffic citations. The exception is an operating a motor vehicle while under the influence (DUI) which is categorized as an arrest charge. There were 680 total arrest charges with 513 filed against adults and 167 against juveniles. Some persons were charged with more than one charge. There were approximately 532 individuals charged. Included were a total of 60 adult DUI charges and 2 DUI charges filed against juveniles.

Some of the top type of arrest charges for adults were for warrants (102), DUI (60), theft (39), liquor violation (36), drug charges (35), and domestic violence (30). Juvenile arrest charges were theft (35), liquor violations (32), criminal damaging (23), unruly (14) and domestic (8). There were no weapon violations charged against a juvenile but 2 adults were charged.

Adults can be summoned and released or booked into the Stark County jail facility. There is one section of the City that is currently in Massillon Municipal Court jurisdiction. Traffic citations and summons can be for Canton Municipal Court, Massillon Municipal Court, or North Canton Mayor's Court depending upon the location of the incident and the charge. Juveniles can sign a promise to appear and released to their parent(s) or they can be placed at the Multi-County Juvenile Attention Center in Stark County when necessary for criminal violations. Female juveniles are sometimes placed at the Tuscarawas Juvenile Center when there is no space available in Stark County. Juveniles cited for traffic offenses must appear in Stark County Juvenile Court

ALARMS AND CALLS FOR SERVICE (CFS)

The police department received 1206 alarm calls from over 350 sites during 2000. Most of the calls were accidental or false calls. The breakdown is as follows.

Top Business Alarm Addresses Responded To:

52 = Camelot Music / Transworld, 8000 Freedom Av NW (Dispatcher handled –
out of city)

36 = North Canton Medical Foundation, 6046 Whipple Av NW

34 = Arrowhead Country Club, 1500 Rogwin Cir Sw

28 = Mercy Statcare, 6200 Whipple Av NW

26 = Charter One Bank, 1000 N. Main

Calls For Service

The police dispatch center made 37877 calls for service (CFS) during 2000. A call for service is a computer entry by the dispatcher on calls that officers respond to, lunches, traffic stops, calls from citizens, hazards, prisoners on and off post, other agencies using our equipment such as the BAC datamaster machine, and other things that the dispatcher or supervisor deems appropriate. This CFS system allows the department to track many items and insures an adequate response or check when needed. Calls For Service requiring follow-ups or checks while on patrol are monitored by the patrol commander to insure that all calls are properly answered. The breakdown for the time of calls is as follows.

Calls For Service = 37877

6:30 A.M. – 2:29 P.M. = 14096

2:30 P.M. – 10:29 P.M. = 15296

10:30 P.M. - 6:29 A.M. = 8485

Detective Bureau:

There are two officers assigned to the detective bureau. Part of their responsibility is to investigate case reports, collect evidence at crime scenes, transport evidence to and from the crime lab, handle the crime watch program, conduct neighborhood surveys following criminal activity, and maintain a liaison with other departments and business agencies. They are also involved in conducting background investigations on candidates for hire. They also are assigned

to handle internal investigations on citizen complaints. It was necessary to temporarily assign them some additional help during 2000. In 1999 the bureau started maintaining statistical data on their cases. In 2000 they became involved in 234 investigations, 204 which were criminal cases. Their report is included along with the Stark County Crime Lab report.

Future Concerns:

Equipment updating and training will still be a priority in 2001. A new policy & rules manual will be completed during the year and issued to all members. Some more reorganization of the department will be taking place. We will also look to the future to plan for any major purchases needed in the years ahead. We need to look at technology such as mobile data terminals, the Internet, and computer connections with the jail data to evaluate their costs

and benefits. We also need to start addressing a space issue with the police department. We will continue to do community speeches and try even better be to serve the citizens of North Canton.

Graphs & Reports:

This report also contains comparable graphs, the detective bureau report, and the Stark County Crime Lab report.

RE: Detective Bureau statistical information

Please find attached statistical information on the investigations conducted by the Detective Bureau in 2000. During the year, the Detective Bureau became involved in approximately 234 investigations, 204 which were criminal cases. As of this date, January 9, 2001, three of these cases are still actively being investigated.

While total investigations dropped from 236 in 1999 to 234 in 2000, criminal investigations increased from 187 to 204. The Detective Bureau filed criminal charges against 40 people in 2000, and a total of 50 charges were filed. The Detective bureau cleared 38.73 % of the criminal cases investigated in 2000. In 1999, the Detective Bureau filed criminal charges against 43 people, and a total of 51 charges were filed. We cleared 47.05 % of the criminal cases investigated in 1999.

Should you need any further information or explanation, please contact me.

Respectfully,
